

FROM THE DESK OF

Santa Claus

Dear Jennifer,

Greetings and Merry Christmas from the North Pole. I just came in from feeding the reindeer. They are starting to get excited about pulling the sleigh on Christmas Eve. I know that you have very busy this year with Ballet and Softball. The Elves in your area tell me you are a wonderful dancer!

Your teacher Mrs. Cooper says that you doing so well in Second grade at Main St. Elementary School. School is very important, and I glad you are working hard and doing so well! I know your parents are very proud of you too. Keep up the good work!

Mrs Claus tells me you have been helping out at home by helping with dishes and taking care of your cat Fluffy. What a nice things to do.

Jingles, the Elf in charge of the North Pole Post Office brought me your letter this morning. You did a great job writing it yourself! I have checked the Naughty & Nice Lists and guess what? Your name is on the NICE list!!! Your town is one of my first stops on Christmas Eve, so be sure to go to bed early and get right to sleep and I will bring a special surprize just for you.

Mrs. Claus just brough me some fresh baked cookies, so I shoud go. You know how much I love cookies. (Hint, Hint)

Your Freind,

Santa
